*Hunt numbers starting with an "R" = Registration, "T" = Tier II, "D" = Drawing. Special permits required. See page 13.

Dalton Highway Corridor Management Area (DHCMA)

Units 20, 24, 25, and 26 extending five miles from each side of the Dalton Highway, including the driveable surface of the Dalton Highway, from the Yukon River to the Arctic Ocean, and including the Prudhoe Bay Closed Area. The area within the Prudhoe Bay Closed Area is closed to the taking of big game; the remainder of the Dalton Highway Corridor Management Area is closed to hunting; however, big game, small game, and fur animals may be taken in the area by bow and arrow only. Aircraft and boats may be used to transport hunters, their gear, or parts of game within the Dalton Highway Corridor Management Area. A snowmachine may be used to transport hunters, their hunting gear, or parts of game across the management area from land outside the management area to access land on the other side of the management area. No motorized land vehicle may be used to transport hunters, their hunting gear, or parts of game, within the Dalton Highway Corridor Management Area, EXCEPT licensed highway vehicles may be used on the following designated roads: 1) Dalton Highway; 2) Bettles Winter Trail during periods when BLM and the City of Bettles announce that the trail is open to winter travel; 3) Galbraith Lake road from the Dalton Highway to the BLM campground at Galbraith Lake, including the gravel pit access road when the gate is open; 4) Toolik Lake Road, excluding the driveway to the Toolik Lake Research Facility; 5) The Sagavanirktok River access road two miles north of Pump Station 2; 6) any constructed roadway or gravel pit within 1/4 mile of the Dalton Highway. Any hunter traveling on the Dalton Highway Corridor Management Area.
